International Association for Quality Assurance in Higher Education (QAHE), registered in Delaware USA, is an independent, private and international organization which is funded through fees charged for its accreditation services to **Academic Institutions in various levels, Certification Bodies, E-Learning Management System Providers and Training Organizations**. QAHE is an expert in recognizing higher education institutions for research performances, student services and quality of teaching to value the confidence of the public along with supporting the development of quality assurance systems worldwide. Furthermore, QAHE has been assessed and found to conform to the requirements of **ISO 9001: 2015(Quality Management System), ISO 29990 (Non-formal Education and Training Services Management System) ISO 20000:2018 (Service Management System) and ISO 27001:2013 (Information Security Management System)**. With its huge network and recognition from worldwide organizations, QAHE accreditation status signifies your institution's commitment to quality education which is in compliance of international standards.

QAHE and The Institution of Professional Engineers Myanmar (IPEM) have reached an MOU
