

ACTIVATION INSTRUCTIONS

www.seavusprojectviewer.com

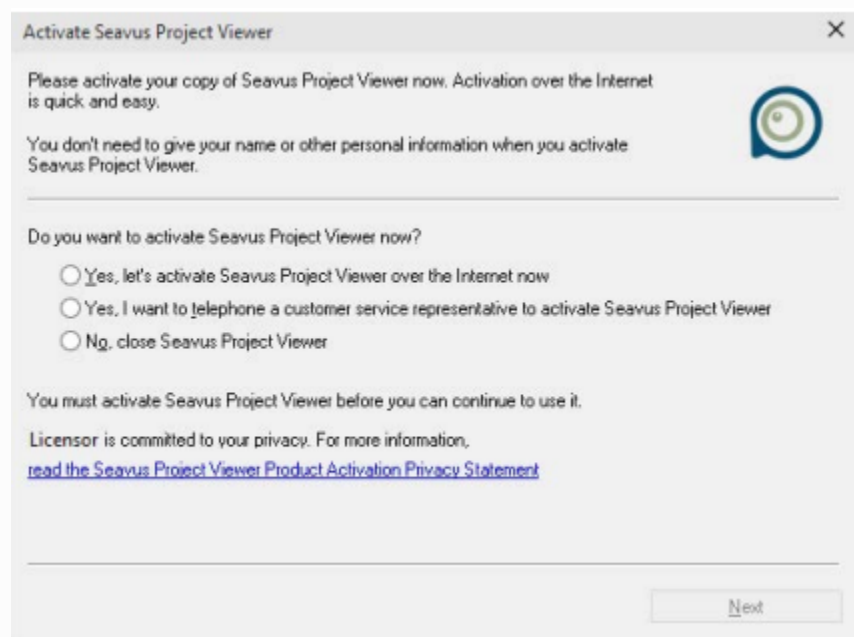

Please be advised that in order to successfully activate your licenses, you will need to have read/write privileges for the registry.

Activation Steps

After you have installed Seavus Project Viewer™, you need to activate it. Following are the steps that you need to perform in order to activate Seavus Project Viewer™ over phone.

STEP 1) LOCATE YOUR PC'S HARDWARE ID

To find the ID, choose "Yes, I want to telephone a customer service representative to activate Seavus Project Viewer™" in the Seavus Project Viewer™ Activation window and click "Next":

On the next page the License and Hardware IDs will be automatically displayed.

STEP 2) COPY AND SEND THE HARDWARE ID

Please copy the Hardware ID along with the License Key and send it to us via email to: support@seavusprojectviewer.com.

After we receive this info, we will generate and reply your Confirmation ID back.

STEP 3) FILL IN YOUR CONFIRMATION ID

Fill in your Confirmation ID in the specific fields (A-H) to complete the activation:

Step 2: Provide the Customer Support representative with the following ID's

License ID:

Hardware ID:

Step 3: Enter the confirmation ID provided by the Customer Support representative:

A

B

C

D

E

F

G

H

 - - - - - - -

After entering the Confirmation ID, on clicking "Next" your license should be successfully activated.
